Dear Mr. Horan:

For your information we are enclosing herewith a copy of the booklet now being distributed by Drs. Wynder and Day, in connection with any presentations they make at medical society meetings. The first distribution of this booklet was at the New York State Society of Medicine meeting in New York this week.

I see no particular change in the presentation, but so that your files will be complete I thought that this should be forwarded to you.

Sincerely,

Grant Clarke
